Basic Information

- Place of Origin: China
- Brand Name: Double beam crane
- Model Number: complete
- Minimum Order Quantity: 1
- Price: interview
- Delivery Time: 10-15 days shipping
- Payment Terms: L/C, T/T
- Supply Ability: 3set/week

Product Specification

- Product Material: Steel Products
- Does It Support Processing Customization: Yes
- Production Country: China
- Increase Quantity: On Demand Customization
- Brand: Lucheng Co., Ltd
- Lifting Height: 0-50m
- Applicable Scope: Industrial Factory Terminal
- Tonnage: Customizable
- Working Class: A5-A8
- Highlight: **a8 double beam crane, steel double beam crane, steel double girder gantry crane**

Product Description

Product Description:

Manufactured in China, this Double Beam Crane is a top-of-the-line product that's built to last. It's the perfect choice for businesses that require reliable and efficient lifting equipment to keep their operations running smoothly. One of the standout features of this Double Beam Crane is its ability to support processing customization. This means that you can tailor the crane to your specific needs and ensure that it's perfectly suited to your business requirements. Whether you're working with brand new or old materials, this Double Beam Crane is up to the task. It's a brand new product that's designed to deliver maximum performance and efficiency, no matter what you're lifting or moving. So if you're looking for a sturdy, reliable and customizable lifting solution, look no further than this Double Beam Crane. It's the ideal choice for businesses that demand the best in heavy-duty equipment!

Features:

Product Name: Double Beam Crane
Lifting capacity: 5-500T
Type: Double Beam Crane
Product material: Steel Products
Brand: Lucheng Co., Ltd
Tonnage: Customizable

Technical Parameters:

Product Name	Double Beam Crane
Support Processing Customization	Yes
Operation Form	Remote-controlled Operation
Production Country	China
New and Old Degree	Brand New
Increase Quantity	On Demand Customization
Product Material	Steel Products
Lifting Height	0-50m
Applicable Scope	Industrial Factory Terminal
Brand	Lucheng Co., Ltd
Lifting Capacity	5-500T

Applications:

When it comes to lifting capacity, the Double Beam Crane is a powerhouse. It can lift anywhere between 5 to 500T, making it the perfect product for heavy-duty lifting requirements. Additionally, customers can opt for on-demand customization to increase the lifting capacity even further.

Another great feature of this product is its lifting height range of 0-50m. This means that the Double Beam Crane can be used in a variety of settings such as construction sites, factories, and warehouses.

The Double Beam Crane is a product that can be used in various scenarios and occasions. For example, it can be used in construction sites for activities such as lifting heavy materials, equipment, and machinery. It can also be used in factories for loading and unloading goods, and in warehouses for storing and moving heavy items.

Overall, the Double Beam Crane by Lucheng Co., Ltd is a versatile and reliable product that is perfect for heavy-duty lifting needs. Its brand new degree ensures that customers are getting a product that is in pristine condition, while its lifting capacity and height range make it suitable for various scenarios and occasions.

Customization:

Brand Name: Double Beam Crane
Model Number: complete
Place of Origin: China
Increase quantity: On Demand Customization
Operation form: Remote-controlled Operation
Production country: China
tonnage: Customizable
type: Double Beam Crane
