

## European Factory Gantry Crane Air Operation / Remote Operation For Workshop Warehouse

### Our Product Introduction

#### Basic Information

- Place of Origin: Shandong Province, China
- Brand Name: Lucheng Co., Ltd
- Model Number: European crane
- Minimum Order Quantity: 1
- Price: interview
- Delivery Time: 10-15 days shipping
- Payment Terms: L/C, T/T
- Supply Ability: 3set/week

#### Product Specification

- Does It Support Processing Customization: Yes
- Tonnage: Customizable
- Operation Form: Air Operation/remote Operation
- Brand: Lucheng Co., Ltd
- Lifting Height: 0-50m
- Colour: Customizable
- Product Material: Steel Products
- Highlight: **workshop factory gantry crane,  
workshop industrial gantry crane,  
warehouse factory gantry crane**

## Product Description

### Product Description:

One standout feature of this European style crane is its on-demand customization option. No matter what specific lifting requirements you may have, this crane can be customized to meet them. With this flexibility, you can rest assured that your crane will perform optimally for your unique needs.

Another key attribute of this crane is its impressive lifting height. With the ability to lift up to 50m, this crane is ideal for a wide range of lifting tasks in various settings. Whether you need to lift heavy materials on a construction site or move equipment in a warehouse, this crane has you covered.

In terms of product material, this crane is made with high-quality steel products, ensuring durability and longevity. With its sturdy construction, you can trust that this crane will withstand the rigors of regular use and provide reliable lifting performance for years to come.

If you require processing customization, this crane is the perfect choice. With its ability to be tailored to your specific needs, you can modify the crane to suit your operational requirements and optimize its performance.

Finally, this European style crane is fully customizable in terms of color, giving you the freedom to tailor its appearance to your preferences. Whether you want a crane that blends in with your existing equipment or stands out with a bold color, this crane can be customized to meet your aesthetic needs.

In summary, our European style crane is a top-of-the-line product that offers a range of impressive attributes to meet your lifting needs. With on-demand customization, a lifting height of up to 50m, high-quality steel products, processing customization support, and customizable color options, this crane is the perfect choice for any operation requiring reliable and efficient lifting performance.

### Features:

Product Name: European crane

Brand: Lucheng Co., Ltd

Processing Customization: Yes

Applicable Scope: Industrial Factory Terminal

New and Old Degree: Brand New

Production Country: China

This product is a high-quality **European style crane** designed and manufactured by Lucheng Co., Ltd. It supports processing customization and is suitable for use in industrial factory terminals. The crane is brand new and made in China.

### Technical Parameters:

Product Material	Steel Products
Supports Processing Customization	Yes
