

## Customizable Tonnage 5 Ton 4 Ton 2 Ton Electric Crane Hoist Power Solutions Electric Chain Hoist

### Our Product Introduction

#### Basic Information

- Place of Origin: China
- Brand Name: Lucheng Co., Ltd
- Model Number: Electric hoist
- Minimum Order Quantity: 1
- Price: interview
- Delivery Time: 10-15 days shipping
- Payment Terms: L/C, T/T
- Supply Ability: 3set/week

#### Product Specification

- Operation Form: Air Operation/remote Operation
- Lifting Height: 17m
- Tonnage: Customizable
- Applicable Scope: Workshop Production Loading And Unloading
- Does It Support Processing Customization: Yes
- Increase Quantity: On Demand Customization
- Colour: Customizable
- Electric Power: 7KW-60KW
- Highlight: **2 ton electric crane hoist, customizable electric chain hoist, customizable electric crane hoist**

## Product Description

### Product Description:

Our Electric hoist is brand new, ensuring that you get the latest and most advanced features in lifting technology. It is constructed with high-quality steel products, making it sturdy and durable, able to withstand even the toughest of lifting jobs.

The colour of our electric hoist is customizable, allowing you to choose the perfect shade that matches your company's branding or personal preferences.

With a lifting height of 17m, our electric hoist is capable of lifting heavy loads to great heights, providing you with the flexibility and reach you need for your lifting tasks. Its powerful motor ensures that lifting is smooth and effortless, saving you time and energy.

Our electric hoist is suitable for a wide range of lifting applications, including construction, manufacturing, and warehousing. It is designed to make your lifting tasks easier, faster, and safer, providing you with the peace of mind that comes with using a high-quality and reliable lifting tool.

Don't settle for less than the best. Choose our Electric hoist for your lifting needs and experience the difference that a top-quality lifting tool can make to your operations.

### Features:

Product Name: Electric hoist

Lifting height: 17m

Production country: China

Increase quantity: On Demand Customization

Electric power: 7KW-60KW

New and old degree: Brand New

### Technical Parameters:

Type:	Electric Hoist
Applicable Scope:	Workshop Production Loading And Unloading
Operation Form:	Air Operation/remote Operation
Processing Customization:	Yes
Lifting Height:	17m
Colour:	Customizable
Increase Quantity:	On Demand Customization
Tonnage:	Customizable
Product Material:	Steel Products
New and Old Degree:	Brand New

### Applications:

The Electric hoist is a reliable and efficient tool that can greatly improve work efficiency and save time for workers. With its processing customization feature, it can be tailored to meet specific requirements and used in different industries. The customizable color options make it easy to match the hoist with the surrounding environment and equipment.

The Electric hoist is widely used in many fields such as manufacturing, construction, logistics, and transportation. It is commonly used for lifting and transporting heavy materials, machinery, and equipment. In manufacturing, the Electric hoist is used to lift and move large and heavy products during the production process, which greatly improves the production efficiency. In construction, the electric hoist is used to lift and install large and heavy building materials. It is also used in logistics and transportation to load and unload goods from trucks and ships.

With its on-demand customization feature, the Electric hoist is the perfect solution for businesses with unique needs. The Electric hoist can be customized to increase the quantity of lifting capacity, speed, and other parameters. This allows businesses to optimize their workflow and improve productivity.

In conclusion, the Electric hoist by Lucheng Co., Ltd is a versatile and reliable product that is suitable for various workshop production loading and unloading scenarios. Its customizable features make it a popular choice for businesses with unique requirements. The Electric hoist is a must-have tool for any business looking to improve efficiency and productivity.

### Customization:

### Support and Services:

Our Electric hoist product comes with comprehensive technical support and services to ensure optimal performance and minimal

downtime. Our team of experienced technicians is available to provide assistance with installation, troubleshooting, and maintenance. We also offer training programs and user manuals to help operators understand how to use the hoist safely and efficiently. Additionally, we provide repair services and replacement parts to minimize any disruptions to your workflow. Contact us for more information on our technical support and services for our Electric hoist product.

## Packing and Shipping:

### Product Packaging:

- 1 x Electric hoist
- 1 x Remote control
- 1 x Power cable
- 1 x User manual

### Shipping:

Ships within 2 business days

Free shipping within the United States

International shipping available at an additional cost

Shipping time varies depending on destination

## FAQ:

**Q: What is the brand name of this product?**

A: The brand name of this product is Lucheng Co., Ltd.

**Q: What is the model number of this product?**

A: The model number of this product is Electric hoist.

**Q: Where is this product manufactured?**

A: This product is manufactured in China.

**Q: What is the weight capacity of this electric hoist?**

A: The weight capacity of this electric hoist varies depending on the specific model. Please refer to the product specifications for more information.

**Q: Is this electric hoist suitable for outdoor use?**

A: It depends on the specific model of the electric hoist. Some models are designed for outdoor use, while others are not. Please refer to the product specifications for more information.
