Basic Information

- Place of Origin: China
- Brand Name: Lucheng Co., Ltd
- Model Number: Electric hoist
- Minimum Order Quantity: 1
- Price: interview
- Delivery Time: 10-15 days shipping
- Payment Terms: L/C, T/T
- Supply Ability: 3set/week

Product Specification

- Lifting Height: 17m
- Operation Form: Air Operation/remote Operation
- Colour: Customizable
- New And Old Degree: Brand New
- Electric Power: 7KW-60KW
- Type: Electric Hoist
- Product Material: Steel Products
- Applicable Scope: Workshop Production Loading And Unloading
- Highlight: **m4 electric crane winch,
workshop electric hoist with remote control,
m4 electric hoist with remote control**

Product Description

Product Description:

Brand new and built to the highest standards, this Electric Hoist is guaranteed to meet all of your lifting needs. With a powerful electric motor ranging from 7KW to 60KW, this hoist can handle even the heaviest loads with ease. It is perfect for use in factories, warehouses, construction sites, and more.

One of the best things about the Electric Hoist is that it is fully customizable. Whether you need a specific lifting capacity or a unique configuration, this hoist can be tailored to meet your exact specifications. This makes it an ideal choice for businesses and individuals who require a customized lifting solution.

The Electric Hoist is incredibly easy to use. It comes with a user-friendly control panel that allows operators to easily control the hoist's movement. It also features a safety mechanism that prevents the hoist from accidentally dropping its load. This ensures that your employees and equipment are always safe when using the hoist.

In summary, the Electric Hoist is a versatile and efficient piece of equipment that is perfect for lifting and moving heavy loads. Made from high-quality steel products, this hoist is built to last and can handle even the toughest jobs. With a powerful electric motor ranging from 7KW to 60KW, this hoist is perfect for use in factories, warehouses, construction sites, and more. It is also fully customizable, making it an ideal choice for businesses and individuals who require a specialized lifting solution. Overall, the Electric Hoist is a must-have for any business or individual who needs to lift heavy loads with ease and efficiency.

Features:

Product Name: Electric hoist

Type: Electric Hoist
